MOTION FOR SCHEDULING OR STATUS CONFERENCE

NOW COMES the United States and moves for a scheduling or status conference in the above captioned case. Trial in the above captioned matter is currently scheduled for April 14, 2008. The Government understands from defense counsel that the defense may not be able to go to trial on April 14, 2008. The Government respectfully requests a conference with this Court to determine whether the trial will go forward on April 14, 2008, or to set a new trial date.

The United States further requests that this Court exclude under the Speedy Trial Act any time from the date of filing of this Motion, until the date of the scheduling conference. The United States submits that the ends of justice served by a continuance would outweigh the best interest of the public and the defendant in a speedy trial. *See* 18 U.S.C. §3161(h)(8)(A).

Respectfully submitted,

COLM F. CONNOLLY
United States Attorney
